

IC 36-3-4 partial (Fiscal Plan)

(d) The requirements of this subsection are met if the evidence establishes that the municipality has developed and adopted a written fiscal plan and has established a definite policy, by resolution of the legislative body as set forth in section 3.1 of this chapter. The fiscal plan must show the following:

(1) The cost estimates of planned services to be furnished to the territory to be annexed. The plan must present itemized estimated costs for each municipal department or agency.

(2) The method or methods of financing the planned services. The plan must explain how specific and detailed expenses will be funded and must indicate the taxes, grants, and other funding to be used.

(3) The plan for the organization and extension of services. The plan must detail the

(4) That planned services of a noncapital nature, including police protection, fire protection, street and road maintenance, and other noncapital services normally provided within the corporate boundaries, will be provided to the annexed territory within one (1) year after the effective date of annexation and that they will be provided in a manner equivalent in standard and scope to those noncapital services provided to areas within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

(5) That services of a capital improvement nature, including street construction, street lighting, sewer facilities, water facilities, and stormwater drainage facilities, will be provided to the annexed territory within three (3) years after the effective date of the annexation in the same manner as those services are provided to areas within the corporate boundaries, regardless of similar topography, patterns of land use, and population density, and in a manner consistent with federal, state, and local laws, procedures, and planning criteria.
